

KVK Training Programmes in June, 2024

A number of training programmes for farmers and farm women will be held during **June, 2024** by Directorate of Extension Education. The details of these programmes are given below. Please contact the respective Training Centre of PAU for more information.

| |
|---|
| KVK, AMRITSAR (98723-54170) |
| June 05: Improved package and practices of <i>kharif</i> crops June 07: Nutrient deficiency symptoms and their remedial measures in <i>kharif</i> crops June 14: Recommended practices for clean milk production June 19-27: Value addition to summer fruits and vegetables June 18: Techniques of harvesting and packing of pear to reduce post-harvest losses June 20: Judicious use of fertilizers in <i>basmati</i> June 21: Formulation of balanced cattle, goat and pig feed June 24: Pesticide residue free <i>basmati</i> cultivation |
| KVK, BATHINDA (0164-2215619) |
| June 03: Certification and branding under AGMARK/FSSAI June 04: Integrated Nutrient Management in field crops June 07: Integrated Pest Management in <i>kharif</i> crops June 12: Recommended practices for clean milk production June 14-28: Value addition in horticultural crops of summer season June 18: Information and Communication Technology tools in agriculture June 19: Eco-friendly approaches for insect-pest and disease management of fruits and vegetables crops June 20-28: Poultry Farming June 24: Round the year green fodder production and preservation June 25: Pesticide application techniques |
| KVK, FARIDKOT (01639-253142) |
| June 03: Custom hiring of agricultural machinery June 04: Judicious use of irrigation water in <i>kharif</i> crops June 05: Recommended practices for clean milk production June 06: Management of insect-pest and diseases of major <i>kharif</i> crops June 11: Pesticide residue free <i>basmati</i> cultivation June 14: Increasing efficacy of chemicals by proper spraying techniques June 24: Prevention and control of zoonotic diseases June 27: Bioagents and non-chemical methods for disease and pest control |
| KVK, FATEHGARH SAHIB (01763-221217) |
| June 03: Judicious use of water in field crops June 04: Integrated Weed Management in <i>kharif</i> crops June 05: Techniques of nursery raising in horticultural crops June 07: Management of insect pests and diseases in fruits and vegetables June 11: Care and management of dairy animals during summer and rainy season June 13: Integrated Nutrient Management in <i>kharif</i> crops June 14: Dietary management for lifestyle diseases June 19: Establishment of orchards and cultivation of fruit plants June 20: Preservation of fodder through silage and hay making June 21: Efficient use of water and energy at household level June 25: Integrated Pest Management in sugarcane and maize June 27: Importance of weather forecasting in crop production |
| KVK, FEROZEPUR (Mallewal) (01632-279517) |
| June 03-07: Pig Farming June 04: Silage making for dairy animals during lean period June 07: Water conservation techniques including rain water harvesting June 14: Bio-agents and non-chemical methods for disease and pest control June 21: Value addition to pulses and oil seeds June 28: Identification and management of insect pests and diseases of fruits and vegetables |
| KVK, GURDASPUR (01874-220743) |

| |
|--|
| <p>June 03-07: Dairy Farming June 11: Care and management of newly born calves and pet animals June 12: Techniques of nursery raising in horticulture crops June 13: Irrigation management in rice and <i>basmati</i> June 14: Disease and Pest Management in <i>basmati</i> nursery June 20: Eco-friendly approaches for insect-pest and disease management of fruits and vegetables crops</p> |
| KVK, HOSHIARPUR (Bahawal) (98157-51900) |
| <p>June 03: Integrated Weed and Nutrient Management in <i>kharif</i> crops June 06: Prevention and control of <i>endo</i> and <i>ecto</i> parasites in dairy animals June 11: Safe use and handling of spraying equipments and farm machinery June 12: Pesticide residue free <i>basmati</i> cultivation June 13: Balanced feeding of goats and dairy animals June 19: Biological and non-chemical methods of pest control in <i>kharif</i> crops June 20: Establishment of orchards and cultivation of fruit plants June 26: Water conservation techniques including rain water harvesting</p> |
| KVK, JALANDHAR (Nurmahal) (01826-292053) |
| <p>June 06: Water conservation techniques including drip irrigation and rain water harvesting June 07: Eco-friendly approaches for insect-pest and disease management of fruits and vegetables June 13: Cultivation and seed production of flowers</p> |
| KVK, KAPURTHALA (01822-233056) |
| <p>June 05: Machinery for Direct Seeded Rice June 07: Safe and judicious use of pesticides June 13: Integrated Nutrient Management in <i>kharif</i> crops June 14: Micro irrigation, fertigation and weed management practices in orchards June 19: Pesticide residue free <i>basmati</i> cultivation June 21: Soil, water and nutrient management for sustainable crop production</p> |
| KVK, LUDHIANA (Samrala) (01628-261597) |
| <p>June 03: Drying and packaging of summer fruits and vegetables June 04: Protected cultivation of brinjal June 06: Integrated Weed Management in <i>kharif</i> crops June 07: Integrated Pest Management in <i>kharif</i> crops June 14: Integrated Nutrient Management in <i>kharif</i> crops June 21: Judicious use of water in crops</p> |
| KVK, MANSA (01652-280843) |
| <p>June 03: Water conservation techniques including rain water harvesting June 04: Micro irrigation, fertigation and weed management practices in orchard June 05: Diagnosis and management of nutrient deficiencies in <i>kharif</i> crops June 06: Personal hygiene and nutrition for adolescent girls June 07: Recommended practices for clean milk production June 14: Safe and judicious use of pesticides</p> |
| KVK, MOGA (Budh Singh wala) (81465-00942) |
| <p>June 03: Silage making for dairy animals during lean period June 04: Organic farming- scope and prospects June 13: Integrated Weed Management in <i>kharif</i> crops June 14: Weed management in vegetable crops June 18: Diagnosis and management of nutrient deficiencies in <i>kharif</i> crops June 19: Identification and eco-friendly approaches for insect-pest and disease management of fruit and vegetable crops June 21: Recommended practices for clean milk production</p> |
| KVK, PATHANKOT (98762-95717) |
| <p>June 05: Effective rainwater harvesting techniques June 06: Feeding and Management of dairy animals during rainy season June 07: Integrated Weed Management in <i>kharif</i> crops June 11: Custom hiring of agricultural machinery June 12: Cultivation of millets and its benefits</p> |

| |
|---|
| <p>June 18-24: Value addition of seasonal horticultural crops June 20: Value addition of mango and litchi June 21: Diagnosis and management of nutrient deficiencies in <i>kharif</i> crops June 24-28: Value addition of cereals and pulses June 28: Diagnosis and management of nutrient deficiencies in fruit crops</p> |
| KVK, PATIALA (Rauni) (94642-10460) |
| <p>June 03: Natural Resource Management techniques June 04: Integrated Weed Management in <i>kharif</i> crops June 12: Integrated Nutrient Management in <i>kharif</i> crops June 13: Nutritional and psycho-social care of children and adolescents June 19: Diagnosis and management of nutrient deficiencies in <i>kharif</i> crops June 20: Integrated Pest Management in fruits and vegetables and rodent control</p> |
| KVK, ROPAR (01881-220460) |
| <p>June 06: Eco-friendly approaches for insect-pest and disease management of fruits and vegetables June 07: Nutrition and management of anaemia June 12-19: Goat Farming June 14: Methods to check adulteration of fertilizers June 18-24: Preservation of seasonal fruits and vegetables and packaging June 20: Cultivation and management of agroforestry trees, medicinal and aromatic plants June 21: Management of repeat breeding in dairy animals June 24: Diagnosis and management of nutrient deficiencies in <i>kharif</i> crops June 28: Control measures and spray techniques for management of fall armyworm in maize</p> |
| KVK, SANGRUR (Kheri) (01672-245320) |
| <p>June 03-07: Preservation of seasonal fruits and vegetables June 05: Mechanical transplanting of paddy using paddy transplanter June 06: Integrated Weed Management in <i>kharif</i> crops June 07: Raising of vegetable nursery in rainy season June 12: Integrated Disease and Pest Management in <i>kharif</i> crops June 13: Nutritional and psycho-social care of children and adolescents</p> |
| KVK, SHAHEED BHAGAT SINGH NAGAR (Langroya) (01823-250652) |
| <p>June 03: Integrated Weed and Nutrient management in <i>kharif</i> crops June 04: Bio-agents and non-chemical methods for disease and pest control June 06: Efficient utilization of non-conventional energy gadgets June 12: Preparation of nutritious beverages June 14: Pesticide residue free <i>basmati</i> cultivation June 28: Prevention and control of <i>endo</i> and <i>ecto</i> parasites in dairy animals</p> |
| KVK, SRI MUKTSAR SAHIB (Goneana) (94630-22203) |
| <p>June 05: Integrated Weed and Nutrient Management in <i>kharif</i> crops June 06: Good Agricultural Practices (GAP) in orchards June 07: Formulation of balanced feed using domestic ingredients June 12: Efficient water and nutrient management in paddy and <i>basmati</i> rice June 13: Certification and branding of agricultural products under AGMARK/ FSSAI June 14: Recommended practices for clean milk production June 18: Dietary management of anemia June 19: Integrated Nutrient Management in Direct Seeded Rice June 20 – July 22: Embellishment of clothes using modern and traditional techniques in stitching June 25: Management of insect-pest and diseases of major crops June 27: Prevention and control of <i>endo</i> and <i>ecto</i> parasites in dairy animals</p> |
| SKILL DEVELOPMENT CENTRE (0161-2401960 Ext 261) |
| <p>June 03-07: Preservation of fruits and vegetables June 12-13: Preparation of eco-friendly cleaning agents June 24-28: Developing entrepreneurial skills in handicraft designing</p> |
| Compiled by: Dr Inderpreet Kaur Boparai and Dr Manoj Sharma |
